

Assembled Student Body Resolution N° 2/2020

A resolution regarding provision of Microsoft applications for students

Whereas, Microsoft applications have been deployed for faculty use;

Whereas, electronic communication between the faculty and the students and electronic submission of assignments has become the standard;

Whereas, several schools have implemented such applications with great success, benefitting the faculty, student body, and the learning environment: Now, therefore, be it

Resolved, That it is the sense of the Assembled Student Body, that –

Provision of Microsoft applications – Microsoft Office, Microsoft Outlook, and Microsoft SharePoint in particular – shall benefit communication between the students and the faculty, completion and submission of assignments, and thereof shall be a valuable asset for the learning environment.

Passed with 18 Yeas and 0 Nays.
